WARRANTY & CONDITIONS OF SALE

- Our warranty is one year from date of invoice.
- Our warranty does not apply to damage caused by shipping, improper installation, improper lamping, product modifications or abuse of the product.
- Check our website for all LED updated specifications.
- LED fixtures that are AC powered, are dimmable from 100%-10%, dimmable with most (ELV) reverse phase dimmers, 3000K colour temperature, and CRI-RA > 90 on all boards (Please consult factory for different colour temperatures, minimum quantities apply).
- 5 year warranty on LED components.
- Russell shall not be responsible for labour or freight charges in connection with any returns, repairs, or unforeseen delays.
- Installation disclaimer – Russell Lighting assumes no responsibility for installation of their products. Installation must be made by qualified personnel, and use of those products must meet all regulatory codes and requirements.
- We do not supply lamps with our fixtures.
- Wiring – Standard wire length on SVT cord drops is 10'. Standard wire length on chain hung is 10' with 6' chain (up charge applies for any modifications).
- Hold for release orders will not be entered until confirmed with approximate release dates.
- Orders which are not released within 120 days of purchase order date may be subject to price increases and/or delays.
- No materials will be ordered, or work performed on custom or non-catalogued items until firm release dates are established.
- Production will not be scheduled until written release and/or applicable approval drawings are received in Russell's office. Quoted delivery schedule will begin at this time.
- Cancellation of orders after being processed for shipping must be requested and have our written approval. Cancellations will be subject to re-stocking charges and will be treated as returned merchandise.
- All restocking is at factory discretion and subject to inspection. \$100 minimum credit.
- Returned merchandise must have our prior written approval. A minimum 25% restocking charge will be applied to all returns allowed. All restocking is at Russell Lighting's discretion and subject to inspection.
- No fixtures may be returned for credit after 3 months from date of original shipment. Note: build to order LED, non-catalogued, custom or modified fixtures are not returnable.
- We reserve the right to make modifications to all our fixtures to improve design and quality.
- PO's less than \$100.00 will be subject to a \$15.00 surcharge.
- Fixtures must be carefully inspected at time of delivery and claims for shortages, errors, and damages must be made within 5 days after receipt of goods.
- Netted fixtures can not account for more than 50% of the PO dollar value of your prepaid agreement.
- Direct pickups must be coordinated with Russell Lighting and may be subject to a \$15.00 surcharge.
